

# YesAllofUs

Instant Affiliate Commissions on the XRP Ledger

## ✗ The Problem

Traditional affiliate platforms make everyone wait. Affiliates wait **30-90 days** to get paid. Merchants pay **\$50-150/month** in subscriptions before they make a single affiliate sale.

## ✓ The Solution

YesAllofUs pays affiliates in **RLUSD the moment a sale completes**. Not in 30 days. Not after approval. **In 4 seconds**. Merchants pay nothing until they make money.

## How It Works

1. Customer clicks affiliate link and makes purchase
2. Order completes in your store (WooCommerce, Shopify, or any platform)
3. YesAllofUs triggers instant RLUSD payout to affiliate's wallet
4. Transaction recorded on XRP Ledger (immutable, transparent)
