

# Merchant Savings Calculator

See how much you save with YesAllofUs vs Traditional Affiliate Platforms

This calculator compares your total annual costs between traditional affiliate platforms (Shopify + affiliate app) and YesAllofUs. **The savings are real.**

## Annual Savings by Revenue Tier

Annual Revenue	Traditional Cost	YesAllofUs Cost	You Save
\$1,000	\$848	\$10.90	\$837.10
\$5,000	\$896	\$22.50	\$873.50
\$10,000	\$944	\$37	\$907
\$25,000	\$1,088	\$80.50	\$1,007.50
\$50,000	\$1,328	\$152	\$1,176
\$100,000	\$1,808	\$295	\$1,513

## Calculation Assumptions

### Traditional Platform:

- Shopify Basic (\$39/mo) + Affiliate App (\$29/mo) = \$816/year base
- Payment processing: 2.9% + \$0.30 per transaction
- Average order value: \$100

### YesAllofUs:

- No monthly subscription
- 2.9% fee on commissions only (not total sales)
- 10% commission rate assumed
- XRPL transaction fee: \$0.0002 per payout

## The Real Advantage: Cash Flow

Beyond the direct cost savings, YesAllofUs eliminates the **30-90 day payout delay** that kills affiliate motivation.

Traditional Payout	YesAllofUs Payout
Day 1: Sale made Day 30: Refund period ends Day 45: Payout processed Day 48: Affiliate receives \$ <b>Total wait: 48+ days</b>	Second 0: Sale made Second 4: Affiliate receives RLUSD  <b>Total wait: 4 seconds</b>
